Violation No. E1430602 Loc. Code A107
STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on August 31, 2022 while exercising my duties as a law enforcement officer in the District of Arizona in Grand Canyon National Park

around 0724 hours, I responded to the report of a male laying in the woods near the intersection of Center and Albright roads. I saw a man later identified by his AZ ID as Jerome B JONES laying on his side in the dirt, about 30 yards from the crosswalk as kids were heading to school. JONES was asleep. I observed dried blood coming from recent scrapes and cuts on his lower legs and drops of blood on his shoes. I woke JONES up. As I crouched down near him, I could smell the odor of an alcoholic beverage emanating from him. JONES told me got lost last night and slept on the ground. The overnight temperature was in the mid 50's. He had on a t-shirt and light shorts. He was shivering. JONES consented to a preliminary breath test, which registered a BAC of 0.231. I placed JONES under arrest for 36 CFR 2.35(c), under the influence of alcohol to a degree that endangers oneself. I transported JONES to Station 1, where he consented to an evidential breath sample which provided a BAC of 0.287.

Body cam video was taken by all officers involved.
